

## WILL YOU SHARE A BEST PRACTICE WITH YOUR COLLEAGUES?

The AARP Legal Advocacy Group, Management Information Exchange, and the Legal Services Corporation are compiling a list of best practices in civil legal services. These are proven practices that work well and would be of interest to others. We are inviting people to submit a brief description of their best practice for a workshop at the NLADA annual conference in Seattle, Washington. You do not have to be present to have your innovative practice shared, we will include it on the LSC Resource Library website available online at: [www.lri.lsc.gov](http://www.lri.lsc.gov).

We will accept any best practice in a number of areas such as:
